

ROCOL APPOINT IADA AS DISTRIBUTOR

An exciting time for IADA, as in August 2018 we were appointed Official Authorised ROCOL distributors

Our UK wide Service Centre network now has access direct to the market leading brand ROCOL.

From their innovative EasyLine Edge line marking system to their DETEX food grade products as well as metalworking and cutting fluids, your local service centre can now supply at competitive pricing and improved lead times.

We are delighted to welcome ROCOL into the IADA family and look forward to a long and successful partnership with this world leading brand.
